MICRO HDMI TO HDMI ADAPTOR

The Micro HDMI to HDMI Adaptor is a premium 12cm (4.7″) adaptor designed to connect HDMI-enabled devices with flawless 4K60 video transmission. With ultra-fast 18Gbps transfer speeds and robust, professional-grade male (HDMI-D) and female (HDMI-A) connectors, it's perfect for linking cameras, displays, and other video equipment. The female connector features a mounting bracket with a versatile design, complete with captive retaining screws for secure attachment to a wide range of camera cages.

- Premium-grade HDMI-D to HDMI-A adaptor
- 4K60 resolution and 18Gbps transfer speed for reliable, ultra-high-definition video
- Two ¼″-20 captive screws for secure mounting to a variety of camera cages
