Loudspeakers

Pendant 2

Pendant accessory for Up 6 loudspeaker

Optimal Audio

FEATURES

- Elegant design with bezel-less appearance
- Easy to install
- Available in black and white
- Housing and grille included

Pendant 2 offers an elegantly designed pendant housing that seamlessly integrates with the Up 6 ceiling loudspeaker to provide high quality background and foreground music to venues with open architecture and high ceilings.

Installing Pendant 2 is effortless thanks to a design philosophy that ensures a quick and easy setup. Available in both black and white, Pendant 2 will blend into any décor.
